

SPHERE™ HDMI

NEW

IMPROVES CONTRAST AND COLOR
REDUCES SIGNAL LOSS FOR
SUPERIOR PERFORMANCE

**HD-BRIDGE™
TECHNOLOGY**

**18GBPS TO 30 METERS
HDR HDCP2.2**

"Thank you for making cables that have performed flawlessly for me. In the crowded world of magic cables with hyperbolic performance claims, the Wireworld Sphere HDMI cables in my system deliver on the promises. Thanks again for making an excellent product, you've won me over."

**Russ Berger, FASA

Other cables filter your music.
Wireworld cables let the most music through.

Technology that channels musical expression.
